

BADDELEYS & CAMPBELLS RATEPAYERS ASSOCIATION LABOUR WEEKEND WORKING BEE

Baddeley's Pathway Project

We would love to see you for a mornings work on Labour weekend to complete the first stage of the Baddeleys Pathway project and carry out weed clearing, plant and track maintenance.

We will be completing the placement of bearers for the path and following up with laying deck materials.

This project has been made possible by funding through the Rodney Local Board environmental fund and very generous donation of materials from Matakana ITM.

Keith, Anne, Sue, Grant, Stuart and Ngaire have also planted another 300 trees along the track over winter so we will making sure these are well bedded. Great effort by this hardy team!

We need your help to stake and clear these plants so don't forget your loppers, saws and secateurs.

Date: 22nd October 2016

Time: 9am Baddeleys Reserve

Bring: Strong shoes, gloves, claw hammer, weeding implements, wheel barrow (too cart decking)

Meet: Toilet block at Baddeleys Reserve.

Lunch: We are aiming to finish at 12:00pm. Free sausage sizzle on behalf of the Ratepayers. We hope you can join us even if it is for a short period.

Many thanks again to our Local Board including our representative, Beth Houlbrooke.
